Sears Roebuck's Millions Financed Integration

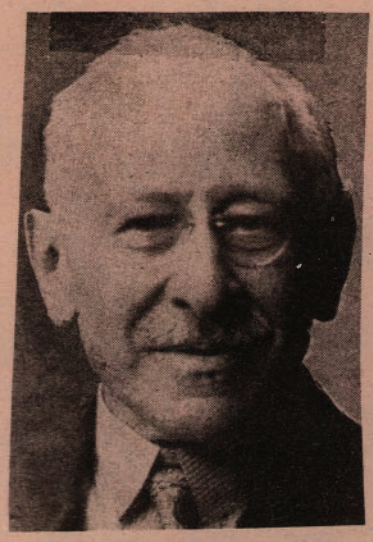
How Sears Roebuck Money Aided Reds

Sears Roebuck Co. was well on its way to becoming the most successful mail-order house in history when it was bought out by Julius Rosenwald in 1896. He amassed one of the greatest fortunes of that time and established "The Rosenwald Fund" with a gift of $63 million in 1917. This would be a gift worth well over $1 billion today! The fund was to aid blacks and all the money spent within 25 years (or by 1942).

Rosenwald's money was spent for increasing black influence black YMCA's and to help form black civil rights organizations. In order to make sure that local blacks knew where the money came from — to ensure they would give their thanks and loyalty to the Jews — Rosenwald's picture was distributed by the Fund to tens-of-thousands of blacks throughout the South. It hung on walls along side Booker T. Washington as a "patron saint" for blacks to look up to.

For some reason Republicans were brainwashed into thinking Rosenwald was a kind of conservative because he gave money to the GOP. He also gave money to aid Jews to immigrate from Russia to the U. S. where they laid the groundwork for the founding of the U. S. Communist Party. Rosenwald gave money to defend such Marxist radicals as Jane Addams, the Mooney-Billings case and to help convicted bankrobber killers Sacco and Vanzetti. He also financed the publication of a book and articles on the Sacco-Vanzetti case which were distributed to young people for study in schools and colleges nationwide.



Julius Rosenwald used Sears' money for leftist causes.

This is the story of how one of America's earliest Jew multi-millionaires used the great wealth of Sears Roebuck to lay the groundwork for the birth of not only the civil rights movement but of the U.S. Communist Party.

Who Is Behind Race Mixing?

Quotes By Jewish Leaders Supporting Race-Mixing

Aaron Goldman addressing the National Council of Jewish Women: "*We Jews have played a significant part in securing laws for Negroes that guarantee equality. We have raised the expectations of American Negroes and must not allow them to become frustrated, angry, and desperate if their dreams fail to materialize. The Negro must enter the mainstream of American life.*"

Rabbi Arthur Lelyveld, addressing the American Jewish Congress convention in Miami Beach: "*All of us must be prepared to make any sacrifice necessary to achieve an effective program aimed at achieving economic justice for the negro. We must make the economic sacrifice of paying higher taxes to win the more important war on poverty at home.*"

Former U.S. Supreme Court Justice Abe Fortas: addressing a dinner of the American Jewish Committee in July, 1968:

"*The battles of the non-Whites for equality in America are essentially the same as those of the Jew, and the Jews must help in his struggle.*"

Theodore Bikel, Jewish folk singer and star of "Fiddler on the Roof," in a speech at the Jewish Temple in Honolulu, July, 1969:

"*A strong commitment to civil rights is implicit in Judaism. We must speak out against discrimination.*"

Goldfarb — Father of "Open Housing"

Buffalo, N.Y. Norman Goldfarb died at age 65 and his obituary told of a life long struggle against White Christians. "The Buffalo News" reported that Goldfarb "played a major role in successful efforts to desegregate public schools." He also pushed for legislation to force Whites to rent and sell property to coloreds. Goldfarb fought against mandatory lie-detector tests for job applicants and drug-usage tests as employment conditions to aid blacks. He was honored by the NAACP and ACLU. Goldfarb is considered a hero to the Jewish race.

Jews Finance Race-Mixing Case

Jewish Organizations Back Interracial Marriage

The U. S. Supreme Court ruled unanimously on April 25 that a local court has no right to grant child custody to a White parent because his ex-wife is living with her negro boyfriend. This was the first time the high court had involved itself in a child custody case. Even more interesting is the point that two major Jewish organizations filed a brief with the court supporting the interracial couple. They were the Jew Anti-Defamation League and American Jewish Congress.

Florida Judge Morison Buck granted a divorce to Anthony and Linda Sidoti. She obtained custody of their three year old daughter Melanie in 1980. Shortly thereafter the child's father discovered that his ex-wife was living with her negro boy friend. Anthony went back into court and Judge Morison Buck took the White baby girl from her mother and gave custody to the father stating: "*The child has a right to protection from the social stigmatization that is sure to come.*"

Later the negro, Clarence Palmore, married his White mistress Linda. Jew civil rights organizations helped them obtain the services of a clever Jew attorney named Robert Shapiro. He lost the case in the Florida Court of Appeals but still had the financial backing to go all the way to the U. S. Supreme Court.

The Supreme Court was not supposed to rule on the case until July but they acted speedily. On April 25 they ruled unanimously that the interracial couple had a right to the White child (who has since been living happily with her father in Texas). The court ruled that the "core purpose of the 14th Amendment is to do away with government imposed discrimination."

Linda and Clarence Palmore seek custody of her white daughter.

Anthony Sidoti still has not given up his daughter, now age seven, and has gone back into court maintaining the interracial couple would make unfit parents. We wish him the best of luck! It should also be noted that the U. S. Justice Dept. filed a brief in the case on the mixed couple's behalf. Many authorities on the Constitution have declared that the 14th Amendment was adopted un-Constitutionally because enough Northern states voted against it combined with Southern states which were under federal occupation and forced to vote for the amendment, that it was actually never legally adopted!

Marriage To Black Gets Jewish Aid

NEW YORK — Two Jewish organizations have joined with two general organizations in asking the Supreme Court to overrule a Florida court decision that denied a white mother custody of her seven-year-old daughter following her remarriage to a black man. The Anti-Defamation League and the American Jewish Congress joined in an amici curiae brief filed with the high court.

Metzenbaum — Most Far Left Senator — Helms — Most Far Right

Americans for Democratic Action, a Marxist group rates Jewish Sen. Howard Metzenbaum of Ohio as having the most left-wing voting record in the U. S. Senate! He is the only one with a 100 percent left-wing voting record. Next on the far-left was another Jew Sen. Carl Levin of Mich., then Tsongas of Mass., Sarbanes of Md. On the opposite end of the political spectrum with a Patriotic Rightest voting record are Sen. Jesse Helms at the top followed by Sen. Murkowski of Alaska, McClure and Symms of Idaho and Hatch of Utah.

Metzembaum's Communist Record

Sen. Howard Metzenbaum is a multi-millionaire and has long supported the U. S. Communist Party. On Oct. 12, 1944 Metzenbaum founded the "Ohio School of Social Studies" with fellow Reds, Marie Wing and Jew Hyman Lumer. On Dec. 4, 1947 U. S. Atty. Gen. Tom Clark declared the school a communist front whose purpose was to "indoctrinate Communists and outsiders in the theory and practice of communism." Metzenbaum continued to support the school. On Dec. 6, 1947 Metzenbaum is quoted by the "N. Y. Times" defending the school as an "institution sponsored by people whose integrity and loyalty to the government then and now cannot be questioned."

The Jew Hyman Lumer was an editor of the Communist journal "Political Affairs" from 1944 to 1976. Metzenbaum spent millions of his own money to "buy" his Senate seat so that he can promote communism in Washington today.

Warning: Reds Penetrate Patriots With "Moles"

"Mole" Infiltrates British Right-Wing

The Thunderbolt has received reports from England about Ray Hill. He was planted in White Patriotic organizations five years ago to serve as a long term "mole." His assignment was to rise to a position of leadership in order to sow internal dissent, sabotage, and spy on Patriots. On March 25 Hill appeared on TV to reveal that for five years he was a spy within the right-wing working for the Marxist magazine, "Searchlight." This slander sheet, along with the muckraking scandal newspaper, "News of the World," ran his "inside" story!

Ray Hill moved from South Africa to Britain in 1979. He immediately went to work for the communist "Searchlight" which brags that Hill was so successful that he rose within the ranks of British Movement to second in command. This mainly youth oriented group engaged in much "hit and run" street fighting with communists and violent negro elements. Searchlight wrote:

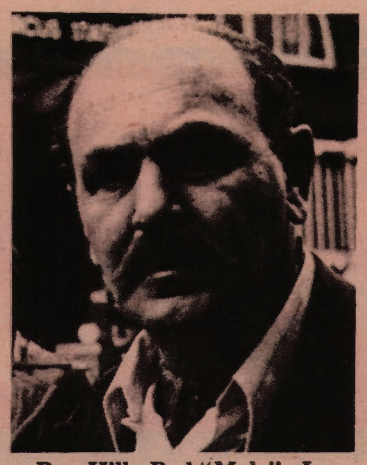
"Hill courageously remained within these organizations to do what he could to destroy them. Time and again his life was at stake as his information helped the police arrest these violent fanatics and uncovered terrorist plans. Now at age 45 his remarkable story is on Channel Four and is being serialised in a Sunday newspaper. Ray Hill's achievements represent an incredible story of a highly successful mole who burrowed deep into the guts of the right-wing movement."

John Tyndall's Analysis of Ray Hill

During the split between several British Nationalist groups in 1980 Ray Hill joined the British National Party (BNP) whose leader is John Tyndall. Hill seemed to be a good active member and rose to the position of "Publicity Officer." He participated in parades, made effective speeches and even wrote a good article for Tyndall's publication.

John Tyndall commented, *"Hill's acts of treason and treachery may have been long planned for the objective of subverting the BNP. Hill seemed talented and put on an extremely convincing act."*

It is extremely difficult to spot such a mole but Tyndall said he always had doubts about Hill. He suspected Hill had an *"innate character flaw."* He says



Ray Hill - Red "Mole" - Long time spy planted inside British Right-Wing.

that weak, unstable, opportunistic characters can succumb to personal stress, financial pressure or blackmail. Tyndall twice had Ray Hill, his wife and children in his home as guests and they accepted the gracious hospitality of his wife Valerie. Tyndall recalled:

"He sat at my wife's and my table and enjoyed our food and wine and we spared no effort to make their two stays pleasant ones! I wonder if Hill is able to look in the mirror in the morning without spewing his innards into the wash basin. I wonder if for the rest of his life he is able to proceed about his business without the impulse to look constantly over his shoulder . . . the revolting stench of his treason and treachery he will have to live with til the grave.

How To Spot Moles and Pimps

John Tyndall wrote, "We cannot possibly grow if we set up an exclusive wall against all comers who do not produce for us a 100% security clearance . . . The inevitable price for our growth and development is the price of risking that one or two rotten apples got into the basket. If they do get in, do not allow them to infect and destroy the basket as a whole. This involves, in terms of building a party, using careful discretion and discrimination in determining the degrees of initiation and confidence that one will extend to one recruit as against another. Such decisions and appointments must come from the top. Even here there is no absolutely foolproof guarantee against infiltration."

Thus we must be ever on guard against the Ray Hills who will always be on the sidelines ready to infiltrate the movement by spreading internal dissention, and lies. One possible protection would be to give all active members both lie detector tests and voice stress analyzer tests to weed out plants and the insincere!

F.B.I. "Stings" Threaten Rights

DeLorean "Sting" A Frameup

Good Luck — John DeLorean

We hope the jury considering the trial of auto manufacturer John DeLorean finds him innocent. This case is a perfect example of how people are illegally "entrapped into acts which they normally would never engage in if they had not been "set up!" John DeLorean was a prominent man in desperate need of financial aid to keep his auto plant functioning in Northern Ireland. The following are illegal actions on the part of the FBI which has made this trial a travesty upon justice.

1) FBI records show DeLorean was targeted for a "sting" one year before his arrest due to the desperate plight of his auto firm.

2) FBI agent Benedict Tisa admitted purjured testimony was given to grand jury which claimed DeLorean originally used drug money to help launch his auto company. The truth came out that he had never had any prior link to drugs.

3) DeLorean sought to back out once he discovered the background of the drug conspiracy. The control agent threatened DeLorean's family if he should withdraw.

4) On Sept. 2, 1982 FBI agents met with Assistant U. S. Atty. James Walsh (the prosecutor against DeLorean), to discover ways to avoid an "entrapment defense" by DeLorean.

5) The Justice Dept. decided that everyone involved in the sting could not be an FBI agent. They had to find some notorious criminal to help them. Thus they chose William Hetrick, a dangerous, big time drug dealer, who is really involved in flooding the nation with cocaine and heroin to deal with DeLorean. Charges were dropped against Hetrick in a serious case in return for his help in framing DeLorean!

6) The FBI tipped off the British government 30 days before DeLorean's arrest and that move precipitated their foreclosure on his Northern Ireland plant.

Rep. Don Edwards charges FBI "Sting" operations endanger constitutional rights.

7) FBI agent Tisa said elaborate preparations were made for DeLorean's arrest on film to be released for TV showing champaigne toasts over a suitcase of cocaine. They called it "an appealing scenario" to finish off DeLorean, destroy his business and reputation forever — just so the FBI could claim fame in "nailing a big wig."

The DeLorean case poses a threat to the Constitutional rights of every citizen. There is absolutely no difference between this policy, of creating frame-ups of innocent people, than there is between the activities of the secret police in Russia and Israel. The time has come for the Congress to issue strict guidelines which will prevent the FBI from inventing crimes and then seeking to entice otherwise law abiding people into their web. With all the real crime going on one would think this would be enough to keep the FBI busy. Why should they be allowed to spend millions of taxpayers dollars trying to frame people like DeLorean just because he was vulnerable over the desperate straights of his business.

Congress Says FBI "Sting" Operations Framing Innocent People

The House Subcommittee on Civil and Constitutional Rights has just issued a critical report against the FBI's use of "sting operations" (the offering to innocent people suitcases full of money, cocaine, etc.,) and then arresting them if they accept. Rep. Don Edwards of Calif. who is a former FBI agent, heads the committee. They found such FBI schemes "encouraged criminal activity and created victims among people who would not otherwise be so entrapped."

The Abscam case in which one Senator, six Congressmen, and a number of businessmen were convicted is an example as well as the drug case against auto manufacturer John DeLorean. The "sting" operations began in 1977 and grew rapidly to 316 such operations in 1983. The FBI has allotted $12.5 million for sting traps this year alone! This sum does not count FBI agents' large salaries and general overhead. The House Committee pointed to the highly publicized case of the sting operation against a group of judges in Cleveland. A bailiff told an undercover FBI agent posing as a car thief he could fix such cases. The FBI spent huge sums of money with the bailiff who was supposed to distribute it to judges he claimed were involved. This continued for many months. Later it was discovered that the bailiff had no such influence and was merely pocketing all the FBI money for himself. This left FBI agents with red faces but also cast a cloud over the judges in Cleveland when the story broke that the FBI was investigating "crooked judges!"

Rep. Don Edwards' Committee seeks the enactment of a code of conduct for undercover operations in such areas as permissible disguise and behavior. FBI Assistant Director Bill Baker protested, "this would knock out three-quarters of our undercover investigations." Another safeguard for the public is the suggestion that the FBI take out judicial warrants for "sting" operations but FBI Chief William Webster has objected even to this? The Committee said: *"innocent victims lack the awareness or the resources to sue the Government for compensation when they have been damaged by illegal sting operations. The FBI has damaged public institutions, exaggerated the suspected level of corruption and have engaged in unwarranted prosecutions."*

How Russian Jews Move To Germany

The London Observer states that reports of Germans living in Russia being allowed to emigrate to West Germany is misleading. We have long known that the Soviets allow a large number of Jews to emigrate to Israel and America and a much smaller number of "Germans" to move back to Germany. The Observer states that many of these "Germans" are actually Jews who before W. W. II lived in Baltic Germany communities and spoke the German language.

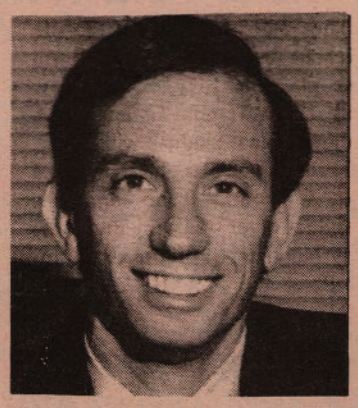
These Germans in Russia who are really Jews amount to nearly 1,000 immigrants to Germany per year. They chose Germany over Israel because of government compensation and the "more comfortable living" along with financial opportunities. There is a growing Jew population in West Germany which numbers 60,000 instead of the official Bonn Government figure of 30,000. The German press has been warned by the government not to publish news of the Jew immigration to Germany to prevent these shocking facts from arousing anti-Semitism. Most interesting of all is that of the 3,000 Jews living in Communist East Germany many are prominent in the Red government with three serving in the Politburo. This is an important fact concealed from the German people on both sides of the Iron Curtain.

Israeli Front Holds On To Black Supporters

Israeli Lobby Seeks Control of Blacks

The American-Israel Political Action Committee (AIPAC) under the direction of Jew Thomas Dine is working overtime to try and keep control of the NAACP. The Jesse Jackson campaign has driven a wedge between some black and Jew leaders and threatens the coalition which has been the backbone of the Civil Rights movement. The NAACP was originally founded by the wealthy Jewish brothers Joel and Arthur Spingarn along with the communist negro W.E.B. DuBois and others. The first Presidents of the NAACP were Joel Spingarn who headed the NAACP from 1930 until his death in 1939. Then Arthur took over until his death in the 1960s after which Kivie Kaplan became NAACP President. It has only been in recent years that the first black was ever elected president of the NAACP. This caused a split with the NAACP-Legal Defense Fund because it was incorporated separately by Jack Greenberg and now split from the currently black run NAACP.

Thus the Nov. 23, 1983 issue of "Near East Report"

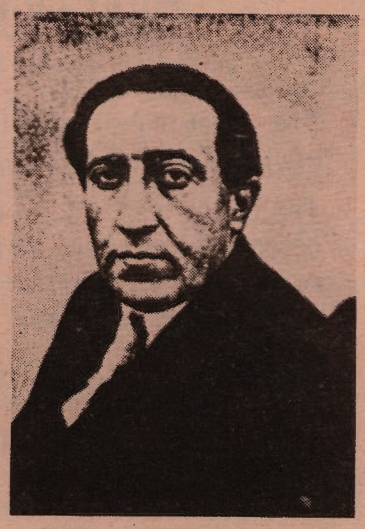


Thomas Dine heads AIPAC -Arm of Israel's MOSSAD Secret Police in U.S.

tells us about Mr. Dine's efforts to hold the Black-Jew alliance together. They make it clear this is to maintain some black support behind Israel and that everything possible must be done to halt any "misunderstandings" between Jews and blacks. If the Jews should ever loose control of the Black and Hispanic organizations in the U.S. they would be in extremely deep trouble. In fact their days of power would be numbered.

This means it is our duty to prove to both Negroes and Hispanics that they have been exploited for decades by Jew slumlords,

Spies Created Civil Rights Movement



Joseph Pogany (Schwartz) Soviet spy founded Civil Rights movement in U. S.

Jew sweatshop owners and Jew high-interest "small loan companies." If the general population is alerted to this fact then we would begin to see the great opportunity of divesting the Jews of their support from other minority groups. This would break the grip of AIPAC — the illegal arm of the Israeli government in Washington, D.C. They are supposed to be registered agents of a foreign government but Jews are so influential they ignore the law and brazenly flaunt their power before the cowardly members of Congress.

Communists Wrote First Civil Rights Platform

Moscow, communist agent Joseph Pogany (real Jew name — Schwartz) was dispatched to the U. S. in 1928 to devise a Civil Rights platform for the U.S. Communist Party. The scheme was to win negroes into the Party and at the same time sow racial discord and upheaval within America. The following is the Civil Rights program of the U.S. Communist Party:

1) Insure Negroes right to vote.
2) Outlaw discrimination in housing.
3) Abolish laws frobiding interracial marriage.
4) Assure full integration in public schools.
5) Full integration of the Army and Navy.
6) Allow negroes to join all labor unions.
7) Equal employment opportunity for negroes.

Democratic and Republican Parties Adopt Communist Civil Rights Program

It is clear that our founding fathers were in no way, shape or form, in favor of downbreeding the superior White Race with inferior colored races of the world! Still the cunning Soviet intelligent agents knew what disruptions this would cause within America. Today every single point in the 1928 Communist Party platform has been adopted by both the Democratic and Republican parties — in fact they have gone even further adopting programs approving spies to monitor open housing, for job hiring quotas and affirmative action promotions for blacks, etc.

The authors of the first civil rights bill in 1957 were Jews — Sen. Jacob Javits and Rep. Emanuel Celler. Both had long records of communist front affiliations.

Why Do Jews Support Race-Mixing?

It is self-evident that when Jews promote race-mixing they are advocating it for White Christians and members of the colored races but not for members of the Jew race. Jewish organizations in America have long waged a strenuous effort to discourage interracial marriage between Jews and Gentiles. They have long realized that the fusion of all the other races (while maintaining the purity of the Jew race) will produce a race of mongrels more subservient to their domination.

England's Chief Rabbi, Immanuel Jakobovits made this crystal clear is a speech before Jewish students in New York City:

"Jewish teen-agers shouldn't date non-Jews. Interfaith marriage is something we view with horror, almost as spostasy. For Jews the problem of intermarriage is the problem of sheer survival. Countless Jewish martyrs did not die for their faith so that we might fritter away our heritage."

The Jews fully realize that all nations which have mixed their blood with that of the black slaves of "Darkest Africa" have lost their greatness. Brazil, Haiti, Egypt, India, etc., were all once White ruled nations with promising civilizations. Today interracial marriage has corrupted the life stream of these countries. Once the blood of any nation is polluted with inferior blood (genes) of Africa that nation quickly loses its civilization. The Jews understand that a mulatto or mongrel race is a shiftless, lazy, mindless, leaderless and slave-like race which must have a racial superior "boss-man" to tell them what to do.

While Jews speak of Jewish racial pride and black pride, etc., to advocate White Race Pride is condemned as "racism" and bigotry. The time has come for us to stand up proudly for our own race and against all those who promote race-mixing in any form whatsoever. Let us warn our young White women of the great danger inherent in socializing with black males. The very fate of civilization hinges on our ability to confront and discourgae race-mixing by every means at our command!

NEAR EAST REPORT

HEARD IN WASHINGTON

AIPAC-NAACP Conference

Black and Jewish student activists strengthened Black-Jewish cooperation last week in a conference sponsored by the youth divisions of the American Israel Public Affairs Committee (AIPAC) and the NAACP.

"This conference is not an end in itself, but rather an integral part of the process which keeps channels of communication open between our respective groups," Thomas A. Dine, Executive Director of AIPAC, told the audience of about 200.

The opening evening session was addressed by Dine, Rev. Edward A. Hailes, National Vice President of NAACP, and Rep. Julian Dixon (D-Calif.). Also in attendance was Rep. Mervyn Dymally (D-Calif.). At a second, all-day session 40 students from 30 campuses compared notes, priorities and the interests of their organizations.

The organizers emphasized that the conference was not designed to create a single agenda or cement a coalition. Rather, it was intended to enable each group to present its agenda to the other. AIPAC's Leadership Development Coordinator Jonathan Kessler described AIPAC's program on campus, its pro-Israel political activities and the activities of anti-Israel groups. William Morton, head of NAACP's Youth and College Division, then presented NAACP's agenda: increasing voter registration, a "Fair Share" program to increase the number of Blacks hired in companies with Black investment, and an intense membership push.

Calls for Cooperation

Dine referred to Black legislative support for measures of concern to Israel and to Jewish support for civil rights legislation and Black candidates for public office.

"The 1980's will be years of great political activism," he said. "To maximize our impact, our two communities must identify issues of mutual concern working through the political process to achieve our goals, together whenever possible." He urged students attending the conference to frankly share concerns and attempt to rectify misunderstandings, to recognize common goals in local and national elections, and to find new ways of involving more students in the political process.

Rev. Hailes called for closer Black-Jewish relations and decried past Black-Jewish misunderstandings: "We have to lift ourselves up above our individual concerns to those which lift us up together and that is why we are sharing our agendas."

At the all-day session, Dr. Julius Lester, who teaches Afro-American studies and Judaic studies at the University of Massachusetts at Amherst, related his own background as a Black activist who later converted to Judaism. He noted the differences in Black and Jewish perceptions of each other, with Blacks expecting better treatment from Jews than from most whites and he explained that differences need not be antagonisms. He urged Blacks to realize that Jews have been oppressed and that anti-Zionism is anti-Semitism. Jews, for their part, must try to understand Black suffering and courage and try to identify with it.

JEWS NOT QUALIFIED TO SERVE IN PUBLIC OFFICE, JUDGES, JURORS, ETC., — THEIR "KOL NIDRE" DISAVOWS OATHS IN ADVANCE!

(Below from Ford Motor Co. founder Henry Ford's book "The International Jew-Volumn IV". Along with Fr. Charles Coughlin they worked to expose "The Talmud" which is the real bible of the Jews!)

THE KOL NIDRE is a Jewish prayer named, from its opening words, "All vows" (Kol nidre). It is based on the declaration of the Talmud:–

"He who wishes that his vows and oaths shall have no value, stand up at the beginning of the year and say: 'All vows which I shall make during the year shall be of no value.'"

It would be pleasant to be able to declare that this is merely one of the curiosities of the darkness which covers the Talmud, but the fact is that Kol Nidre is not only an ancient curiosity; it is also a modern practice. In the volume of ***revised Festival Prayers*** published in 1919 by the Hebrew Publishing Company, New York, the prayer appears in its fullness:–

"All vows, obligations, oaths or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent, aforehand, of them all, they shall all be deemed absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations shall not be obligatory, nor the oaths considered as oaths."

If this strange statement were something dug out of the misty past, it would scarcely merit attention, but as being part of a *revised* Jewish prayer book printed in the United States in 1919, and as being one of the high points of the Jewish religious celebration of New Year, it cannot be lightly dismissed after attention has once been called to it.

Thus, Kol Nidre stands condemned by a portion of Jewry itself. The ***Jewish Encyclopedia,*** 1904, Vol. VII, page 541, says: "It cannot be denied that according to the usual formula, an unscrupulous man might think that it (Kol Nidre) offers a means of escape from the obligations and promises which he had assumed and made in regard to others."

EXCUSES PERJURY

One of the most important aspects of Kol Nidre is that it suborns or excuses perjury in the Courts in the case Orthodox Jewish witnesses, whose testimony, of course, is rendered worthless by it.

If the prayer were a request for forgiveness for the broken vows of the past, normal human beings could quite understand it. Vows, promises, obligations and pledges are broken, sometimes by weakness of will to perform them, sometimes by reason of forgetfulness, sometimes by sheer inability to do the thing we thought we could do. Human experience is neither Jew nor Gentile in that respect.

But the Kol Nidre prayer is a holy advance notice, given in the secrecy of the synagogue, that no promise whatever shall be binding, and more than not being binding is there and then violated before it is ever made!

The scope of the prayer is "***from this day of atonement, until the next day of atonement.***"

The prayer looks wholly to the future, "***we repent, aforehand, of them all.***"

The prayer breaks down the common ground of confidence between men–"***the vows shall not be reckoned vows; the obligations shall not be obligatory, nor the oaths considered oaths.***"

It requires no argument to show that if this prayer be really the rule of faith and conduct for the Jew who utters it, the ordinary social and business relations are impossible to maintain with him.

It should be observed that there is no likeness here with so-called Christian "hypocrisy." Christian "hypocrisy" arises mostly from men holding higher ideals than they are able to attain to, and verbally extolling higher principles than their conduct illustrates. That is, to use Browning's figure, the man's reach exceeds his grasp; as it always does, where man is more than a clod.

BABYLONIAN CHARACTER OF JUDAISM

But the Kol Nidre is in the opposite direction. It recognizes by inference that in the common world of men, in the common morality of the street and the mart, a promise passes current as a promise, a pledge as a pledge, an obligation as an obligation – that there is a certain social currency given to the individual's mere word on the assumption that its quality is kept good by straight moral intention. In straight Christian morality, a man's word is expected to be as good as his bond. But the inference of the Kol Nidre is that man should make provision to drop below that level of morality.

How did the Kol Nidre come into existence? Is it the cause or the effect of that untrustworthiness with which the Jew has been charged for centuries?

Its origin is not from the Bible, but from Babylon, and the mark of Babylon is more strongly impressed on the Jew than is the mark of the Bible. Indeed the Talmud is openly praised and revered as being Babylonian. And Kol Nidre is Babylonian Talmudic, finding its place among many other and similar dark things within that many-volumed and burdensome invention. If the Kol Nidre ever was a backward look over the failures of the previous year, it very early became a forward look to the deliberate deceptions of the coming year. Many explanations have been made in an attempt to account for this. Each explanation is denied and disproved by those who favor some other explanation. The commonest explanation of all is this, and it rings in the over-worked note of "persecution." The Jews were so hounded and harried by the bloodthirsty Christians.

"Many learned men want to have it understood that the Kol Nidre dates from the Spanish Inquisition, it having become necessary on account of all sorts of persecution and inflictions to adopt the Christian religion for appearances' sake. Then the Jews in Spain, gathering in cellars to celebrate the Day of Atonement and pardon, composed a prayer that declared of no value all vows and oaths that they would be forced to make during the year...."

"The learned men say, moreover, that in remembrance of those days when hundreds and thousands of Maranos (secret Jews) were dragged out of the cellars and were tortured with all kinds of torment, the Jews in all parts of the world have adopted the Kol Nidre as a token of faithfulness to the faith and as self-sacrifice for the faith.

"...***These assertions are not*** fact is that the formula of Kol Nidre and said on the night of Yom Kippur q lier than the period of the Spanish Inqui for instance, a formula to invalidate vo pur in the prayer book of the Rabbi Am lived in the ninth century, about five before the Spanish Inquisition; although formula is not Kol Nidre but Kol Nidrim oaths which we shall swear from Yom K Kippurim will return to us void')..."

The form of the prayer in the matter of in dispute; but back in the ancient and is the authorization of the practice:

"***He who wishes that his vow shall have no value, stand up a ning of the year and say: 'All v shall make during the year sh value....'***"

Father Coughlin Led Anti-Communist Fight In 1930s

Royal Oak, Mich. was the location of a small Catholic Church called "The Shrine of The Little Flower." The pastor was Father Charles E. Coughlin. During the 1930s most people had no idea what communism was all about. Many working people who were suffering through the depression thought communism would give them jobs, good pay, benefits and allow the workers to run their own companies, etc. Fr. Coughlin knew who was behind communism and launched a newspaper called "Social Justice."

He not only called for more jobs, better benefits and pensions for workers but revealed the fact that most of the leaders of communism in Russia, Europe and the U.S. were all Jews. They were financed by Jewish bankers and businessmen who owned many "sweat shops" where workers slaved away at wages below the living standard (just as they do today!).

"Social Justice" had the largest circulation of any magazine of its time reaching over one million copies sold weekly by 1938 and was distributed in over 2,000 churches. Coughlin

organized the "National Union for Social Justice" Party which ran William Lemke for President and Dr. Francis Townsend for Vice President. Fr. Coughlin went on nationwide radio. Every Sunday his broadcasts were heard in millions of homes urging Americans to oppose the Roosevelt Administration pro-communist legislation. Fr. Coughlin was a great orator and fought to keep America out of World War II. He was right on every point. Just before the war broke out Fr. Coughlin was about to launch the "America First Party" but was silenced and censored by Roosevelt who considered him his most dangerous enemy. Thus ended the career of one of the greatest Americans who was not afraid to go public to expose the Jew problem.

Coughlin Exposed The Talmud

Not only did Fr. Coughlin expose the Jewish hand behind communism but he exposed the so-called Jewish religion which is like no other in the world. It is a racial religion for the Jewish race and attacks all other races and religions in the most vicious manner. On Dec. 12, 1938, "Social Justice" carried an article by Ben Narcin (a Jew who converted to Christianity). On this page we reproduce this rare and extremely valuable expose. The two most important parts to note and remember are:

1) The Talmud is so anti-Christian that parts must be kept secret to prevent them from falling into the hands of non-Jews. During the Jewish General Assembly of 1631 they agreed to print a tiny "O" in The Talmud where such passages must be orally taught by the rabbis.

2) A surprise to many Christians is the point that The Talmud holds "absolute superiority" over the Bible and all other religious teaching. This is the chief religious guide for all Jews. On this page we reproduce just a few items which Christian scholars have revealed from their investigations into The Talmud.

(NOTE: For additional information on The Talmud see our book list — study "The Talmud Unmasked," $2 per copy, the eye-opening "Plot Against Christianity," $7 and Dr. Fields' pamphlet, "A Synagogue Is Not A Church," 8 copies for $1.

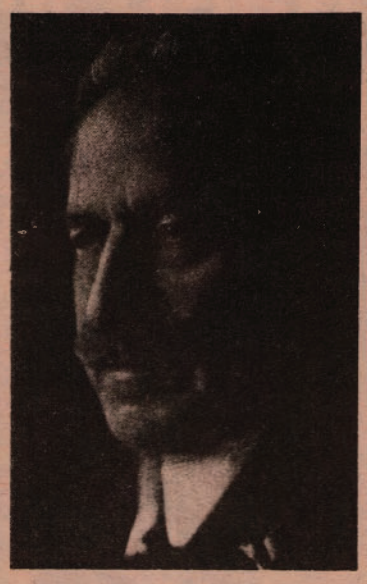
Jews Called For Destruction Of Germany In 1934 - Five Years Before W. W. II

Israel's founder of the Irgun terrorist organization, Vladimir Jabotinsky, wrote in the Jewish magazine Natcha Retch in 1934:

"The fight against Germany has been carried on for months by every Jewish community, conference, congress, trade organization, by every Jew in the world. There is reason to believe that our part in this struggle will be of general value. We shall let loose a spiritual and material war of the whole world against Germany. Germany's ambition is to become a great nation again, to reconquer her lost territories and colonies. Our Jewish interests on the other hand demand the complete destruction of Germany. The German nation is collectively and individually a danger for us Jews."

Thus the Allied division of Germany, the confiscation of one-third of German territory completed the Jewish plan of vengeance. Why then should West Germany give reparations to the Jews? Why should Germany (or the U.S. for that matter) give foreign aid to Jews?

It must stop and the people must arise in their opposition to every single politican who votes for aid to Israel. There are 52 million Americans of German or part German descent. This is a force which has been beaten down spiritually and morally by the screaming fake holocaust advocates. Now is the time to stand up and put an end to this nonsense and cowardness on the part of our own people. We must stand up for what is right and against that which is wrong!!



Samuel Untermyer instigated much anti-German agitation.

Samuel Untermyer was a famous Jew lawyer who represented big oil compaies and banks. He helped set up the Federal Reserve Bank. Once he sued Henry Ford for articles in his "Dearborn Independent" newspaper for remarks about a Jew. Later Untermyre accepted the position of president of the communist front called the "Anti-Nazi League." He urged a boycott of German produced goods. At one time he was vice-president of the American Jewish Congress and an active supporter of acquiring Palestine as a Zionist State for Jews only.

Plan To Sterilize All Germans

The Jews cry they have been "gassed" and "exterminated." If that is true how is it that nearly 40 years after the end of W. W. II there are still hundreds of thousands of "professional" holocaust survivors alive? Many are happily living off Germans reparations? The prominent Jew writer, Theodore N. Kaufman, published a book entitled, "Germany Must Perish" in 1941. (Note: This is two years before the Jews claim the holocaust began - in 1943.) Kaufman wrote of his plan for the mass extermination of the entire German race:

"To achieve the purpose of German extinction it would be necessary to only sterilize some 48,000,000 Germans. This figure excludes, because of their limited power to procreate, males over 60 and females over 45."

How can anyone accept the cries of self-proclaimed holocaust survivors when they had planned to eterminate the entire German race if that had been within their power. With all this evidence of Jew conning and scheming to destroy the Germans, we should stop the vicious persecution of pro-German East Europeans in the U. S. who are now branded as "war criminals."

We must demand an end to lying propaganda turned out by Jew run Hollywood, TV and in the press against the patriots who fought with the Germans against communism during World War II.

Synagogue's Immoral Slogan

Jews Attacked Germany Before War

The holocaust is not supposed to have begun until 1943. The truth is, according to Red Cross figures, only about 280,000 people died in concentraton camps including Jews. Jews lost fewer people than any other active combatant nation in the war. Still the Jews insist on the 6,000,000 figure which many historians discount.

One interesting point is that the Jews charged they were the victims of a holocaust even before it is supposed to have begun. Rabbi Stephen Wise in 1941 said, "These evil Germans are killing Jews by the millions." Later pro-holocaust propagandists said the gassing of Jews did not start until 1943.

Philadelhia Jew temple entrance — "*We Will Never Forget, We Will Never Forgive the German People*". This is the actual "Hate" slogan of the Jew religion. Can you imagine such a slogan decorating the entrance to a Christian Church?

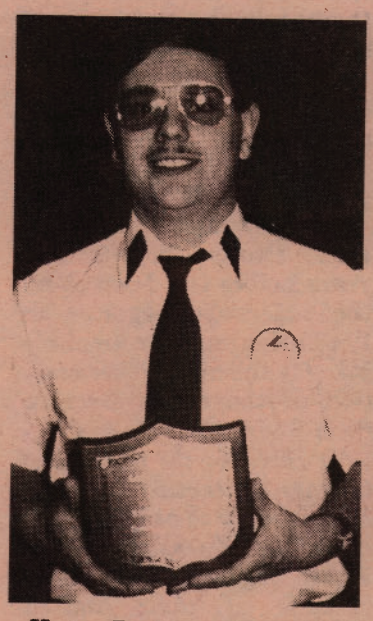
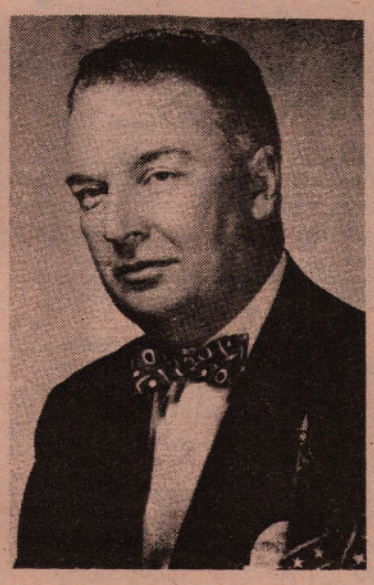
NSRP Summer Action Campaign Underway



Harry Bertram, Jr. holding his "Man of the Year" award at NSRP convention.



J. B. Stoner re-elected National Chairman of the NSRP.

NSRP National Organizer, Jerry Pope, center, reads plaque presented to Dr. E. R. Fields (on right) for his service of over 20 years as a National Officer of the National States Rights Party. (Paul Niswonger on left.)

Big Vote For NSRP Candidate

Ohio NSRP candidate, Harry Bertram, Jr., running for the State House of Representatives polled 4,000 votes to his opponents 17,000 votes. Bertram is only 24 years old and was running against an incumbant who has held office for 15 years. Bertram spent less than $500 in his campaign while the incumbent spent thousands of dollars in what turned out to be a desperate bid to head off the young White Patriot.

Mr. Bertram was aided by NSRP National Organizer Jerry Pope who printed literature and posters which were used in the campaign. The local Jewish community was so upset by Harry's campaign exposing the threat of Zionism and race-mixing that they used intimidation to have Bertram's radio show cancelled. Harry Bertram is an excellent speaker who knows how to explain our stand to the general public. All we need do to win this fight is to find more awakened and talented young men like Harry Bertram to carry our messages to the White Christian majority.

The Newly Elected National Officers and National Executive Committee of the NSRP

The following officers were elected in convention by the members attending and through proxy votes cast by mail representing a majority of the membership.

J. B. Stoner, National Chairman; Dr. E. R. Fields, Vice Chairman; Jerry Pope, National Organizer; Robert Bowling, National Secretary; Dolores M. Fields, Treasurer.

National Executive Committee Officers: Gene Russell, Al DeShazo, Roy Wake, M. Landis, Paul Niswonger.

In this issue you will find an application for membership in the nation's foremost organization which takes an open stand on both the Jew problem and the threat of race-mixing. We do not mince words and believe that this is the only way in which we can awaken the vast majority of the American people — why not join us and help sign up a new member today?

NSRP Elects New National Officers

The National States Rights Party National Convention was called by J. B. Stoner himself and was held at the Capital City Hotel near the Atlanta airport. Everyone was extremely excited over the announcements made. Jerry Pope of Covington, Ky., reported that his NSRP Chapter now had its own printing facilities complete with press, typesetter, headliner and plate maker. In fact all the new Party applications and renewal forms will be printed on his press at cost. Jerry is also now able to print booklets and leaflets for us.

Harry Bertram was certainly deserving of the "Man of the Year" award which he is pictured holding on this page. While still a young man Harry has a deep grasp of the cause behind the race problem in America. He can do an amazing job at reducing these complicated issues to one which even the average man can easily understand. You will be hearing a lot more from Harry Bertram in the months to come.

Wally Straughn told the audience that great movements are built upon martyrs and this certainly is true in the J. B. Stoner case. Never has anyone had a conviction on a 20 year old case upheld by the appeal courts. Mr. Stoner's political views are the only reason he was indicted in the first place. The investigation to bring about the indictment began just four months after J. B. received some 74,000 votes for Governor (10% of the total) and this was too much for the Jews. Thus they moved to stop his constant political campaigning.

Even members of the Georgia State Legislature have told us this is the greatest travesty upon justice they have ever heard of. While J. B. Stoner still has one last appeal hearing pending this is a case which we cannot allow the public to forget because the freedom of every citizen is at stake when they can go back 20 years to try someone on such a long forgotten obscure and trivial case. **If this case stands every citizen's constitutional right to due process will be nullified.**

Third Party To Appear On Ballot

The name of a third political party will appear on the November general election ballot, according to County Clerk Robert McIntosh.

Henry Hamilton, Ridgeway, has been certified as a candidate for sheriff on the National States' Rights ticket.

Hamilton submitted to the county clerk's office a petition bearing the names of several county residents requesting that his name apear on the ballot under the National States' Rights Party.

McIntosh said signatures from county residents equal to two percent of the persons voting in the last countywide election were required to place the party on the ballot. The county clerk said Hamilton met that condition by submitting at least 80 names.

McIntosh said Hamilton's name will appear only on the November general election ballot; there will be no primary election for the National States' Rights Party in August.

NSRP Candidate's Radio Show Cancelled

A decision to cancel a scheduled interview this morning with an avowed racist who is seeking the Democratic nomination for Ohio's 98th District House of Representatives apparently came after station officials decided it would be against the "best interest" of WOMP radio.

In the wake of a radio interview last week with avowed racist and Democratic hopeful Harry Bertram Jr. of Tiltonsville, a second interview scheduled for 9 a.m. today was canceled due to "formal complaints" from a local Jewish congregation.

Bertram, a member of the National States Rights Party, a white racist political group, advocates sending Blacks back to Africa and Jews to Madagascar.

However, according to Monroe, complaints from the Jewish community of the Ohio Valley, including letters from Rabbi Daniel M. Lowy of Temple Shalom in Wheeling and from Temple officials, caused WOMP management to delay Bertram's reappearance pending a future decision.

Andre said WOMP, to his knowledge, has never backed off from any controversy but explained that "the timing is not right"

He said that the beliefs, background and affiliations of a candidate for political office should be made known to the public, and what a candidate stands for is important for the electorate to make a responsible choice.

Missouri Has New NSRP Leader

NSRP On The Ballot In Missouri

Henry L. Hamilton is the National States Rights Party candidate for Sheriff of Harrison County, Missouri. Mr. Hamilton has been an active member for some time and obtained far more than the number of signatures required to place his name on the November ballot. Thus, rather than run in either the Democratic or Republican Party primary, Mr. Hamilton will appear on the ballot under the NSRP name. Since there is no run-off in the general election he conceivably can be elected with a little over 1/3rd of the vote.

Mr. Hamilton writes, *"I cannot support the other major parties at all for obvious reasons. The majority of Americans do not agree with either of their national party platforms. I have made this choice to try and effect a change for the betterment of America. The dangerous enemy living in our midst is planning and abetting our very downfall and liquidation. We must not allow this to happen right here in our own country."*

After the election, win or lose, Mr. Hamilton wants to be a state organizer for NSRP. In the campaign he promises to place a deputy within all four areas of the county between 9 PM and 6 AM because 90% of the crime in his county occurs at night and this has been on the rise. He also promises to be available to the public at all times to listen to their problems and act on them immediately.

We will have more information on this Missouri Patriot who has taken the bull by the horn and is going before the general public with the truth. All who wish to give Henry direct help can send their donation to: **Henry Hamilton For Sheriff Campaign, Rt. 2, Box 15, Ridgeway, Missouri 64481.**

How Jews Intimidate Christians to Hire Jews

(From "Jewish Sentinel" May 12, 1984)

Peter D. Waldstein

new leadership ledger

'Jews have not made it in U.S. if corporate hiring is any indication'

Many Jews don't know that discrimination still keeps them from achieving success in the mainstream of business, says a man whose beat is the corporate boardroom. An even better kept secret, he says, is that one Jewish organization deals exclusively with Jewish employment problems, using quite behind-the-scenes methods to try to ease the way for Jews up the corporate ladder.

The Bureau on Jewish Employment Problems has circulated through the corridors of corporate power since 1937, says its current executive director **Manuel Silver.** The bureau, composed of a board of directors of Jewish business leaders and constituent agencies — American Jewish Committee, American Jewish Congress, Anti-Defamation League of B'nai B'rith and Jewish Labor Committee — monitors every major corporation in the Chicago area for its Jewish hiring practices and investigates complaints against companies brought to its attention by disgruntled Jews.

Monitoring corporations requires the utmost in tact and confidentiality, Silver explains. A phone call or letter from himself or a board member with a personal contact to the head of personnel or vice president in charge of hiring will gain entry into a company. From then on, however, the bureau conducts its investigation in person, never in writing or over the phone.

'How do I know who's Jewish? It's against the law to ask.' In that case, Silver says, he'll ask for —but not always get—the corporation's directory. He counts up the Jewish sounding names, subtracts 10 percent for those non-Jews he may have counted who have Jewish sounding names, adds 10 percent for those Jews he may have missed who don't have Jewish sounding names, and arrives at a rough estimate of the number of Jews employed by the firm.

Why should a firm open itself up to the bureau? What authority does the bureau have to inquire about these matters? Does the bureau accomplish anything?

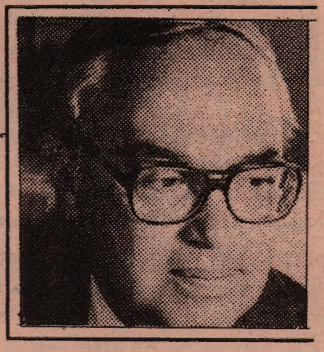
Says Silver, "Companies don't want trouble with the Jewish community. There's perception, especially among retail outfits that Jews wield quite a lot of purchasing power. A company may fear being boycotted if word gets around that it discriminates against Jews.

"As long as a company responds positively, we feel we're making headway. We have the effect of opening up companies to Jews because the companies know they are being watched. Who else will look out for us if we don't do it ourselves?

Jews wishing more information or to file a complaint can reach the Bureau on Jewish Employment Problems at 220 S. State, suite 1630 (phone 663-9470).

Jews Don't Promote Gentiles

Highest Paid Jews In U. S. Are Heads of Philbro Salomon Co.



John Gutfruend, co-chairman, Philbro, $2,080,000 a year.

David Tendler, co-chairman, $2,080,000, Philbro Salomon.

The vice-chairmen are all Jews. They receive $1,920,000 each, annually. They are Richard Schmeelk, Thomas Strauss and Henry Kaufman. No Christians are allowed to even head such Jew-owned companies as Phillip Morris Cigarettes, CBS-TV, ABC-TV, RCA, Jew Department stores, like Macey's, Gimbels, Crown Aircraft, Zayre's, etc. Once Jews reach the top they only promote fellow Jews up the ladder behind them, thus discriminating against all other races and religious!
